Subject: Deficient Amended Notices of Intention to Commence Small Mining Operations, Ucolo Exploration Corporation, Ticaboo Stockpile Removal Project East and Ticaboo Stockpile Removal Project East, S/017/0001 and S/017/0050, Garfield County, Utah

Dear Ms. Wolverson:

On December 6, 2010, the Division received a letter asking that we update its records to change the address for the two referenced mines. Please address the following items:

1. Please provide replacement pages for the approved Notices of Intention (NOIs). The NOI forms can be found on the Division's web site at https://fs.ogm.utah.gov/pub/mines/minerals_related/forms/MR-SMO.pdf.
2. Permit S/017/0001, Ticaboo Stockpile Removal Project - East was originally a large mine operation and later was converted to a small mine. When the conversion/transfer took place a new NOI for a small mine was not submitted. Any NOI for this project is out of date and needs to be replaced.

If you have any questions regarding this letter, please call me at 801-538-5261 or Wayne Western at 801-538-5263. In reply, please refer to file numbers S/017/0001 and S/017/0050. Thank you for your cooperation.

Sincerely,

Paul B. Baker
Minerals Program Manager
